OPPORTUNITY KNOCKS BUT ONCE

YES, YOUR GREATEST OPPORTUNITY FOR 1959

If you act promptly, before stocks are depleted, you can now get your new Iris at the greatest savings of the year. While many kinds are now sold out, after 4 months of catalog sales, we still have excesses in first class stock of the 500 choice varieties listed here. To clear out ALL of this surplus in a hurry I've decided to drop the prices WAY DOWN.

SAVE 50% on your choice of over 250 varieties marked ●

Many of these half-price varieties are CLOSE-OUTS and once supply is gone there will be no more available this year nor next. So don't delay—send YOUR order TODAY and get in on these sensational savings on first class varieties and No. 1 stock.

For a short time only, you can get BOTH coveted new varieties and old favorites at unheard of LOW prices. You now get the extra choice NEW varieties at what you ordinarily pay for the common kinds. Dozens and dozens of extra choice scarce kinds, such as Aspenglow, Golden Perch, New Love, Easter Greetings and Front Page, that could not be included in the 1959 catalog are now available to you on this Sale, while they last. But you must hurry!

YOUR LAST CHANCE. Yes, this is your LAST CHANCE to get many varieties that will sell down so low at these prices that I cannot again catalog them. I suggest therefore, that you take full advantage of this opportunity before it is too late.

NOW IS THE TIME TO PLANT IRIS FOR SPRING BLOOM. Act quickly so you can get your new Iris well established before winter, and ready for bloom in the spring. Orders are shipped in the order that they are received. HURRY and be among the first to get your sale order to me. Be sure to send it AIR MAIL. My hardy mountain-grown stock thrives in every state.

TIME LIMIT—Sale officially ends **October 3, 1959**, but orders postmarked Oct. 4 to Oct. 31 will still be accepted at Sale prices if marked that we may substitute if sold out of some kinds.

CATALOG AND ORDER BLANKS—Refer to my 1959 or earlier full-color catalog for descriptions and order blanks. If you did not receive my catalog, or have misplaced it, I will send another FREE on request if you mention that you wish to use it in making up your order from the Sale List. You may also have free on request a Sale List for yourself or a friend, or up to 10 for your Garden Club. Send your request by AIR MAIL.

SALES TAX—California customers please add 4% Sales Tax.

POSTAGE—Even at these ridiculously low prices, I pay the postage to any part of the U. S. on all orders of \$10.00 or more at these discounted prices. On smaller orders, please add 50c to help defray packing and postage costs.

SUBSTITUTIONS—If we are entirely out of any variety when your order arrives, we will let you still take full advantage of the low Sale prices by substituting another fine Sale variety of equal or greater value—unless you send with your order a list of alternates in the same price range that you are ordering, and from which we can select, if necessary. Or you may wish to do as many do and instruct us to send 2 of a kind in some cases, rather than adding other varieties. In any case, I must reserve the right to substitute on the free Bonus Iris if we are sold out of any of the ones you list.

With the current ideal planting weather in most parts of the country it is important that we ship all orders as soon as possible after arrival, and not delay the shipment waiting for correspondence.

REPLACEMENTS—Obviously, these extremely low prices do not permit us to make any replacements later. However, all the Iris sent you will be our regular first-quality stock, and should grow for you with ordinary good care, as they do for thousands of our customers all over the world. In fact, the rhizomes are exceptionally large and fine at this time of the year, with lots of new increases starting.

FOR YOUR FRIENDS TOO—In return for giving you such wonderful buys, won't you please give this sale list to a flower-loving friend as soon as you have finished with it and have sent in your order? Thanks a million! And if you should accidentally receive two copies, please pass along the extra one, so it will not go to waste, **YOUR FRIENDS WILL THANK YOU** for bringing such bargains to their attention. Let them borrow your catalog, too.

VARIETIES NOT ON THIS SALE LIST: Since this Sale List includes only our current excesses, some of the finest varieties are necessarily omitted. If the ones you want are not in this Sale List, nor in the SOLD OUT list below, they may still be ordered, if you hurry, directly from the catalog, and included on the same order with items from this Sale List.
